To the Niagara Foundation,

I wish to extend congratulations to the recipients of the 2011 Niagara Peace and Dialogue Awards. Chicago is a wonderful center of multiculturalism, and I thank the Niagara Foundation for recognizing those in our community who strive for a set of universal values that all of us share.

This year, the Niagara Peace and Dialogue Awards have four categories – community service, global vision, commitment, and one award given in honor of a Turkish scholar, Fethullah Gülen. I am proud to recognize Attorney General Lisa Madigan, the Art Institute of Chicago, Anne Eleanor Roosevelt, Vice President of Global Corporate Citizenship for the Boeing Company and Dirk Ficca, the Executive Director for the Council for a Parliament of The World's Religions for receiving awards in their respective categories.

Each of these honorees has worked to improve Chicago by making it an even better place for all of us to live, work, and enjoy. I congratulate them on their achievements and wish them continued success in their work.

Sincerely,

Mike Quigley  
Member of Congress
