Dear Friends,

As Attorney General of the State of Illinois, I want to thank the Niagara Foundation for sponsoring the 2015 Niagara Peace & Dialogue Awards and congratulate the deserving winners.

My congratulations go to:

The Chicago Community Trust and its President/CEO Terry Mazany for this year's Community Service Award.

Andrea Zopp, the Chicago Urban League's former President/CEO, for this year's Lifetime Leadership Award.

Suzanne Morgan, founder of Sacred Space International, for this year's Fethullah Gulen Award.

My most sincere thanks go to the Niagara Foundation for its dedication to peace and inclusiveness and, again, my congratulations to this year's honorees.

Very truly yours,
