

GETTING READY

My Neighbor & My Day!

- Think about your neighbors* and create your guest list – consider reaching out to people you see all the time but never had chance to know them well.
- Decide the best date option for you – December 8 – 17, 2017.

The Size & The Venue!

- Identify the size of the event – KYN is all about meaningful conversations – 4 to 8 people is ideal!
- Decide what kind of event you would like to host - breakfast, lunch, dinner or in-between.
- Decide where you would like to host the event – your home, park, coffee shop, etc.

Introduce, Invite, and Ask!

- Introduce yourself and KYN initiative to your potential guests
- Extend the invitation in writing or in person with an RSVP date
- Ask if they have any dietary restrictions; Halal, Kosher, etc.
- Don't forget to involve the kids!
- Two or three days before, send a reminder.

** A **neighbor** is defined as anyone within one's daily life, such as actual street neighbors, members at the same gym, participants in the same poetry class, classmate, or your colleague, etc., as well as the family and friends of these people.*
